### **4YOU GOLD**

**4You Gold, high definition Free-Form lenses are 100% fully customized to your eyes!**

While you explore new and exciting technology everyday, we have been working hard to create a new way of seeing and you don't have to compromise anything .

## HD FREE-FORM LENSES

### **WHY 4YOU GOLD HD FREE-FORM LENSES**

- Offer up to 40% wider fields of view than other lenses.
- Fully optimized for EVERY Rx Frame.
- Advanced Progressive design.
- Excellent all-purpose lenses with superior usable zone widths.
- Compensated for average position wear.
- Variable corridor for virtually any frame! This technology ensures that progressive design is automatically 'right sized' for the frame, for reliable wide, clear, balanced visual zones with minimal peripheral blur- EVERYTIME!
- Extensive choice of material and coating options.
- Made in the USA!

**4YOU GOLD HD FREE-FORM LENSES**

**ORDINARY TRADITIONAL LENSES**

## ELIMINATES DISTORTION

4You Gold High Definition Free-Form virtually eliminates the swim and sway distortion you will often feel in traditional lenses. 4You Gold Free-Form lenses give the feeling of single vision lenses, in the natural comfort of any frame.

## HD FREE-FORM LENSES

### **CLEARER VISION**

Your image is impacted by how your nose and cheekbones position your eyeglass lenses. With 4You Gold Free-Form we no longer need to worry about this problem, as all factors are taken into consideration and your vision is optimized to deliver the best possible vision.
